Controller within the view, and integration with the model.	A/R	C	C	C	C	I
View and GUI components.	A	R	C	C	C	I
The model and that data that is imported.	A	C	R	C	C	I
Administrative documentation for the project.	A	R	R	C	C	I
R—Responsible A—Accountable C—Consulted I—Informed						

Footnotes:

For NorthStar customer we are intending to use a hiker / forager, I believe I have access to a population of such individuals.

For the General public it is anyone.
